

HUCEEN

SALOC®

THE MOST
TESTED
AND
TRUSTED

Your First Choice for Industrial Motor, Drives & Automation Products

Authorised Distributor

PLC

E 200 SMART Series

- Compact Structure, Cost Efficient Control
- Flexible I/O Expansion
- High Speed Counters

Series Highlights

- E7 200 Smart - Standard / IoT Edition
- E5 200 Smart - Basic Edition
- E3 200 Smart - Economy Edition

H7 1200 Series

- Powerful, Compact, Fully Expandable
- Designed for Compatibility
- Made for Expansion
- TIA Portal Compatible

HMI

- H Panel 7" & 10"
- Visualize, Control & Optimize
- High Resolution Display
- Multiple communication Interface

Remote I/O & HD 200SP Solutions

- Smarter Distributed Automation. Simplified
- Reduce Wiring Complexity
- Flexible System Expansion & Improved Efficiency
- Built for Profinet Networks

Industrial IoT Solutions

Connecting Machines To Smarter Decisions

- IOT PLC
- Real Time Visibility
- Remote Access
- Improved Efficiency & Smarter Maintenance
- Future Ready Operations
